Weapon (Three Blades Book 1)

Synopsis

We were all saved, freed, or just gathered as children when our families chose to leave us or hurt us, or when they simply didn't want to nurture us anymore. Or they all died. We are no longer children. We are Three Blades Assassins. Weapons. Trained by the best, to be the best. I am known for being cold, ruthless, and merciless. No empathy runs in my blood, no love or compassion. All that flows through my veins now is the icy chill of carnage and hate. I relish in bloodshed and pain. Violence and slaughter arouse me. Assassination is as erotic as it comes. Yet, I am loyal and fiercely protective of my Sisters. I live by the truth, as brutal as it sometimes is, and I fight for every breath that still fills my lungs. If you hurt me or mine, then I will take the pain that has lived in me since I was born, and I will make every single drop of it belong to you. I am Elsie Grey. And I am the ultimate Weapon this world has ever seen.

Dawn is back with a spectacular story that keeps you on the edge of your seat from start to finish. Action packed, full of suspense with some epic nail biting twists, Dawn never disappoints with her

books and this one is classic D H Sidebottom at her very best. Elsie was taken from her family when she was very young into the home of Frank where she is trained to be A Three Blade Assassin. Indestructible, sassy and confident she and the other girls who live there are trained to perfection to be the best of the best. Elsie is his ultimate weapon, his special girl; but at what sacrifice for Elsie. Her life is full of destruction, sadness, loss but she knows her place and that is at Franks disposal at all times. When she meets Euan he makes her see and feel things she has never experienced before. He brings a "light" to her life and she is drawn towards him like a moth to a flame. But what problems will this bring about, what journey will they take you on ? Both characters were wonderful to read about, secondary characters played a significant part to this story which added to the excitement and anticipation that I found myself experiencing. I read this book straight through - I literally didn't want it to end. Dawn has the knack of bringing all her characters to life, she takes us on a remarkable ride of emotions, nail biting moments where I held my breathe as I turned each page with baited breathe. This is book one in the Three Blades series and I cannot wait for book two to see where these amazing characters take us next time. Mind blowing awesomeness at it's best. Not to be missed !!

Weapon by DH Sidebottom

Another mind blowing hit by DH Sidebottom, which I'm not surprised about, because she's the epitome of awesome! Bringing amazing characters and spectacular storylines to life, it's always a rush getting to jump into her mind for a bit. If you've ever had the pleasure of meeting the iconic Frank, you will understand when I say, he finally gets his just deserts, and boy does he ever! The Three Blades Assassins was a life Elsie never expected, but it's all she's known since her youth, and nothing else. It's brought tragedy and destruction to her door, but being the "ultimate weapon", she's become quite frankly, indestructible. Her heart, mind, and soul have been through hell and back, and she saw no light at the end of the tunnel until the day she meets Euan. He brings her spirit to life, and I love him for it! Like always, trouble is brewing, but they make a fantastic duo, and have the ability to finally conquer her demons. Epicness lies ahead, and I can't wait to see what happens next! It's bound to blow us out of the water, and keep us wanting more from the fabulous DH Sidebottom. Bravo!

Weapon Review Wow! This was an edge of your seat read! Elsie Grey had to grow up quickly. Taken at 8 yrs old after she watches her father murdered. Elsie becomes a skilled killer growing up with Three Blades, an assassin group that took her in however sometimes your new family isn't always

all that they seem. Ordered to do a hit on a Euan Sinclair, Elsie starts to piece together lies and deception that have been told to her. Will she uncover the truth before it's too late? Euan Sinclair (attorney, hacker & tracker) is contracted to find Elsie but when he finds her things aren't at all what he was led to believe. Dual POV, mystery/thriller/suspense as only DH Sidebottom can write!

Dawn is back yes she's back with a huge bang. What a totally unique one of a kind story that right from the start pulls you in and doesn't let go and even when it was over you're still feeling the story in your bones. I love that the author isn't afraid to think out the box with her characters. Elsie is a very strong young woman living a life that would send many crazy. From a young age she's been trained to be one thing a killer she is quite literally a weapon. Surprises and twists are woven seamlessly into an intricate story. Questions are answered mysteries solved but I know more is to come from the assassins and I can't wait. reviewed by Sweet Spot Sisterhood

D H is back with a bang. This book is so good I just loved everything about it. I do love a kicka** female and that is what you get Elsie is such an amazing character she is the ultimate weapon. she was brought up to be that she was trained by the best to be the best. she is such a loyal person to her sisters, such a great story that will have you turning the pages. the Twists and turns are so good in this book too I didn't see them coming. We are no longer children. We are Three Blades  Assassins.

At the very young age of eight, Elsie Grey saw her father getting killed and her life changed forever. The night her father was murdered, Elsie is left alone in the world but Frank Reynolds takes her under his wing and thus begins her training to become one of the Weapons, highly trained assassins for the infamous Three Blades organization. Euan Sinclair is hired to find Elsie. Her grandfather is looking for her and her sister. By sheer accident Euan runs into Elsie one night and forces her to come with him to meet his client. When things surprisingly get out of hand Elsie, with the help of her three Weapons Sisters and Euan, they are forced to go on the run and seek the truth. In the midst of their quest to find the truth and the puppet master, Elsie & Euan grow closer together and things between them develop gradually. When truths are revealed resulting in broken hearts and utter betrayal, Elsie takes matters in her own hands and finishes the jobs. Weapon is told in dual POVs alternating between Elsie and Euan. It is fast paced and will keep you on the edge of your seat read. The author has done a great job throwing the reader off track managing to keep the plot thrilling and surprising. I highly recommend reading Weapon. An ARC was graciously

provided to me by the author.
