Pet loss can be devastating for a family to experience and comfort is hard to find. This book is that comfort for to those of us who have lost animal friends... no matter how long ago it occurred. It has

certainly helped me in this regard and was a much needed addition to my collection. The stories are so touching and bring hope. If you believe in reincarnation, this book will provide unlimited hope, healing, and relief. If you do not believe in reincarnation, this book gives you hope that the possibility exists and a new way of looking at a physical death. I would highly recommend this book to anyone coping with the loss of a pet or a cat lover in general.

I like very much this book, it has plenty of experiences to hope that your cat will be with you again.

I happen to believe in this, so for me it was a good read. However some of the people in the stories seem so nonchalant about a beloved cat coming back. I would be elated if my baby came back! Did it reassure me? Not really. But it is still an interesting read.

"I'm home was wonderful to read and makes so much sense, when one truly gets the "feel" for the quantum world in which we live! Positive thinking will always win out over negative thoughts, and so I know our beloved animal friends can, and do return to us. We have only to believe it, and wish it with all our hearts. Or, if you can't master the skills to bring your beloved back, follow the good advice of the old rock song, "If you can't be with the one you love, love the one you're with!" Believing is receiving!

Though it took far longer to receive this item this is really a great book that brought a lot of comfort and hope to me as I have lost my beloved kitty. It gives reassurance I will see her again. Love the stories in the book.

Beautiful comforting words, although some typos. Brent is really a wonderful soul, author, real character, funny, and uplifting. I watch her videos and read her blogs. I highly recommend checking her out.

I enjoyed reading the uplifting stories of reincarnation. This book helped my son and I get over our grief a lot faster than it would have been without it. It helps to know our pets can come back to us. *~f~c~ Eoe~ A°f~ A A,~ A•*

Loved this book - it has given me hope I will be reunited with my soul mate kitty again here on earth.
