Customer Reviews

Author Bjorn Salmon has compiled a select tasty collection of Scandinavian recipes in his book Nordic Cuisine. While the recipes are limited in scope, Salmon has offered a good variety showing the lovely delights of Scandinavian cuisine. During my years of Scandinavian cooking, (I'm married to a guy with a Norwegian background) I've made some of the recipes found in his cookbook. Two of the recipes I've made include: Caramelized Potatoes Rye Bread I do look forward to trying: Rosti Fried Eggs Smoked Trout Creme Fraiche Sweet Raisin Bread There is an interactive table of contents making navigation easy. Note: I did not find any photos or illustrations in his cookbook. It would have been good to see some photos as Scandinavian cuisine is lovely to eat and lovely to see. Recommend.

Not many recipes but a whole lot of flavor. Thank you and enjoy your meal and enjoy your day.

Now this is definitely a different style of cooking and I think it's great! Nordic cuisine was a great recipe book for this different style of food. If you have ever been to Scandinavia then you may have loved their food, well here is your chance to try cooking it yourself. Take a look at this book, the recipes are easy and not intimidating at all.

Although this was written in an adorable tone, it certainly doesn't give the cover justice. Needs pictures so the non Viking folk don't get scared off by the notion of poached trout!!!
