Great calendar for work desk. Paper isn't glossy like some others so you can write on it with a variety of pens/pencils/markers. Love the watercolors behind the words on each month - great pop of color at my desk!

Great little calendar!

When I purchased the item I thought it was a full size wall calendar not a mini. When the package it had a \$3 Big Lots sticker on it which was a huge ripoff since I paid \$16 for it.

I purchased one for our office. It was so impressive that I gave it to my clients as gifts! It is mall and just the right size for my needs!

A Christmas gift. Very encouraging, succinct messages. The recipients likes it.

Cute calendar. 11 year old loves it.

Love it thank you

So cute - great size
