The Harry Potter Mysterious But Delicious Recipes: Cooking With This Extraordinary Harry Potter Cookbook - Harry Potter Food Recipes For Halloween Or Any Magical Occasions

Synopsis

What can you expect from an Unofficial Harry Potter cookbook? Will you be able to obtain magic powers once you take a bite of the special enchanted treat or will you simply turn into a frog? What kind of recipes and what kind of people do get into these unique cookbooks? The answer is: simply anyone who likes to try cooking different and mysterious dishes. There is something very appealing and daring about unofficial Harry Potter Food Recipes and that's why they are gaining popularity among children and adults. People do enjoy duplicating many things their favorite characters or heroes do, eat or drink. Think about drinking tea and wearing pretty dresses, just like Cinderella or Sleep Beauty. Customer Reviews

If you're looking for a Harry Potter cookbook, this isn't for you. It mentions the beloved series and names recipes after them but, it has nothing to do with Harry Potter. The book contains recipes for such things as lava cake ("volatile chocolate cake") and a french onion soup ("wizardly french onion soup") but, if you're looking for a cookbook that actually includes things like pumpkin pasties or cauldron cakes from the HP book, you've come to the wrong place

My Daughter-in-Law loved it.

Wonderful reading for my grandson...

Disappointed. Many typos.

I am a huge HP fan. I have read each book as it has come out. We started reading them to our children a few years ago. They, too, love them. Now, they are reading them on their own. This book is an excellent source of information to get family conversations started regarding all the good that is in the HP books. It has really helped me have some great discussions with my kids. They really get it, too!
