# A Passion For Sea Glass

## Synopsis

Some people's passion for sea glass goes beyond collecting—they use it to create something of beauty. Carole Lambert, author of *Sea Glass Chronicles*, gives us an inside look into the studios of those who do everything from gathering and amassing sea glass mulch for landscaping to designing stained-sea-glass windows. This volume will arouse a renewed sense of wonder in those who already possess a passion for sea glass and win legions of new sea-glass devotees.

## Customer Reviews

Love this book

Although the editorial quality and pictures are fine, only a handful of the works shown really appealed to me. Probably a matter of taste, and my own bias and hope for more mosaics applications of seaglass. Nice book, but no "wow" from me.

lots of good ideas!

Excellent book, beautiful photos, and book was received quickly in excellent condition

Bought as a gift because my wife had one and loves it.

This book has some of the best ideas if you are a do-it-yourself person. Sometimes I just need a picture to give me an idea, and this sure will provide many.

Gorgeous photography Beautifully illustrated!

How wonderful to see beautiful art created out of sea glass. I truly have enjoyed this book and can clearly see the passion for this.
