Harvard Business Review On Work And Life Balance (Harvard Business Review Paperback Series)

Synopsis

This book presents leading minds and landmark ideas in an easily accessible format. From the preeminent thinkers whose work has defined an entire field to the rising stars who will redefine the way we think about business, "The Harvard Business Review" paperback series delivers the fundamental information today's professionals need to stay competitive in a fast-moving world. With articles ranging from an in-depth look at the "mommy-track" to perspectives on telecommuting, this book will help HR professionals and employees at all levels understand the oftentimes delicate balance between our professional and personal lives.

Customer Reviews

Since 1984, Harvard Business School Press has been dedicated to publishing the most contemporary management thinking, written by authors and practitioners who are leading the way. Whether readers are seeking big-picture strategic thinking or tactical problem solving, advice in managing global corporations or for developing personal careers, HBS Press helps fuel the fire of innovative thought. HBS Press has earned a reputation as the springboard of thought for both established and emerging business leaders.

A great collection of essays!

Here we have a collection of several articles about balancing work and life. I liked the book because of that. You don't have to begin reading on page 1. Just see the index for an article of choice and begin reading there. The ideas the authors propose are written in an easy reading manner and are always backed on serious researches. I liked it a lot.

The package came overseas to Japan in less time than expected. Great service! I was so excited to get the package of books before I had to leave for a business trip for a week. (If the books had come "on time," then I would have already left.)
