# Gates Of The Necronomicon: Sumerian Anunnaki In Mesopotamian Religion And The Babylonian Magical Tradition (Third Edition)

## Synopsis

The Necronomicon of Mesopotamia... Sumerians... Star-Gates of Babylon... The Anunnaki... Ancient Alien Gods... The most critically acclaimed and bestselling materials from the Mardukite Research Organization now available in one volume! GATES OF THE NECRONOMICON is a highly innovative and accessible anthology featuring the the complete text from three installments: "Sumerian Religion: Secrets of the Anunnaki & The Origins of Babylon" (Liber 50), "Sumerian Religion II: Secrets of the Anunnaki in Babylonian Mythology" (Liber 51/52) and "Necronomicon Revelations" (Liber R) in a single incredible compilation! Here is the definitive work in its much anticipated revised and expanded 3rd edition; the original companion volume of the Mardukite Chamberlains developed from their second active year of research in 2010! Arriving on the surface world from the underground - an amazing insight into the Anunnaki 'alien gods' and the establishment of human civilization famously accounted by the Sumerian and Babylonian traditions. Prolific writer, Joshua Free, presents this topic such as the modern world has never before had access to, developed from the revolutionary work conducted by the next generation of Seekers actively using a revival Anunnaki tradition in the present day. Sumerian Religion: Secrets of the Anunnaki (Liber 50) is not merely the presentation of dry academic renderings of obscure tablets; Sumerian Religion will take you on a progressive journey that is just as relevant and critical today as it was thousands of years ago! A perfect practical companion to the study and pursuit of any and all systems, displaying the primordial origins of human traditions on the planet, a fundamental truth that all can benefit from. Originally designed and released in 2010 exclusively underground for the Mardukite Chamberlains as "Liber 50", this amazing tome stands alone - unique as it is practical - revealing the nature, origins and traditions of the the Anunnaki Alien Gods of Mesopotamia (Sumerian, Babylonian, Akkadian, Chaldean, Assyrian, etc.), which the public has previously only known through nearly insubstantial communications. Babylonian Myth & Magic/Sumerian Religion II (Liber 51/52) is unparalleled in displaying the post-Sumerian mystery tradition of the ancient Babylonians, now accessibly comprehensible with this book to any seeker for the first time in modern history. Revealed within are the very methods by which Babylon rose to power from seemingly prehistoric nothingness and how these very real systems born in the Ancient Near East are still with us today! Finally, in Necronomicon Revelations (Liber R), after nearly two decades involved with this work, prolific writer and Mardukite founder, Joshua Free, candidly reveals how these 'spiritual beings' have influenced the imaginations of 'metaphysical' writers and artists increasingly in the last century - 'primordial gods' seeking to have their stories told or reborn. What's more, these forces appear to be behind all of the systems installed into human civilization and

consciousness, both social and mystical, since the time of the Sumerian Anunnaki. Now, at the cusp of a 'New Age', the mysterious development of "Simon's" infamous edition, haunting narratives of H.P. Lovecraft, Thelemic work of Aleister Crowley, otherworldly communications by Kenneth Grant, the Nine Gates of the Kingdom of Shadows, a resurgence of interest into 'ancient aliens', and mainstream Cthulhu Mythos revivals by Enochian magicians like Donald Tyson all seem to be pointing toward something - some inevitable theme setting the stage for the destiny of mankind for the approaching era, uncovering the most dangerous truth about life, the universe and everything: The Great Deception of a systematic light-matrix reality under the control of the Anunnaki - the real otherworldly Gatekeepers of Life, Death & Existence.

## **Book Information**

Paperback: 364 pages

Publisher: CreateSpace Independent Publishing Platform; 3 edition (November 18, 2014)

JOSHUA FREE is the founder of the Mardukite Chamberlains (Mardukite Research Organization) and the subsequent publishing house Mardukite Ministries (Mardukite Truth Seeker Press). Through this organization, he has been widely published in more than 20 books on subjects regarding ancient Mesopotamian religion, the Sumerian Anunnaki, the Mardukite tradition of Babylon, Akkadians and Assyrians (Chaldeans) including the volumes: "Secrets of Sumerian Language", "Mesopotamian Magic", "Sumerian Wisdom & Anunnaki Prophecies", "Babylonian Magick" and the original underground bestselling Mardukite sourcebook, "Necronomicon: The Anunnaki Bible", also available as the "Necronomicon: Anunnaki Legacy" (Silver Edition). Joshua Free co-founded the Systemology division (Systemological Society) of the Mardukite Research Organization in the

Spring of 2011 and authored the first four 'NexGen booklet' installments comprising "Systemology 1.0" (better known as Systemology-101), including "Human, More Than Human", "Systemology: Defragmentation", "Trans-Human Generations" and "The Games" -- all of which appear in "Awakening: Systemology-101." This work has since been complimented by the Systemology 2.0 materials released in 2013 as "Reality Engineering." Although usually best known for his Mesopotamian work emphasis on Sumerians, the Anunnaki and Babylonian Tradition for the "Mardukites", his work on the Dragon Legacy and modern Pheryllt Druid and Elven-Faerie tradition is also paramount, being the author of the "Book of Elven-Faerie", now available in a collected works anthology with "Draconomicon" and "Druidry" titled: "The Druid Compleat" (2013). Recently, his writings even appeared in the third and final volume of the bestselling trilogy by Douglas Monroe, "The Deepteachings of Merlyn". Additional esoteric background: Joshua Free first began by receiving personal apprenticeships from his early years and progressing through his entire life, including various Christian Gnostics, Rosicrucians, Freemasons, members of the Hermetic Order of the Golden Dawn, O.T.O. Ordo Templi Orientis, A.A. Argentium Astrum among others. He was officially initiated into the Pheryllt Druid tradition at the age of 12 and began leading his own "Gnostic"-styled Druid organization in the mid-1990's at age 13, the extension of which continued to exist until 2001.
