Tokyo Ghoul, Vol. 7

Synopsis

Ghouls live among us, the same as normal people in every way-except their craving for human flesh. Ken Kaneki is an ordinary college student until a violent encounter turns him into the first half-human half-ghoul hybrid. Trapped between two worlds, he must survive Ghoul turf wars, learn more about Ghoul society and master his new powers. Kaneki is captured and then tortured by Yamori, one of Aogiri Tree organization's most sadistic members. To survive the interrogation, Kaneki will have to finally surrender to the Ghoul inside him, but if he does, it will change him permanently and push him even further away from being human.

Love Tokyo Ghoul and love these books

Loved it!

Daughter loves this.

Just amazing! Been reading since the Japanese version and now reading TG:Re. It's just an amazing manga and it keeps getting better. Very happy I can finally have my Tokyo ghoul collection !

My favorite volume in the entire series. This volume illustrates the turning point of the story when the protagonist is faced with a situation in which he is able to reevaluate his way of thinking in order for him to make a great change and begin to accept himself.

Volume 7 of the Tokyo Ghoul manga is the turning point of the story. I'm reading again this manga and I feel the same excitement of the first time. From the beginning to the end, the spotlight is on tragedy and psychological transformation.

Another amazing volume from Sui Ishida! I honestly just can't get enough of this series, & all its amazingly crazy characters. This volume is especially important to the series but you will have to read it yourself to find out why!

Hehehe it good very very good heheheNo to be serious it is a great monga ps. It is goood
