The Little Book Of Biblical Justice: A Fresh Approach To The Bible's Teaching On Justice (The Little Books Of Justice And Peacebuilding Series)

Synopsis

"The purpose of this Little Book is to identify some characteristic features of the Bible's teaching on justice. The Bible has had a profound impact on the development of Western culture. So exploring biblical perspectives on justice can help us appreciate some of the convictions and values that have helped shape Western political and judicial thought. Christians also regard the Bible as a uniquely important source of guidance on matters of belief and practice. What the Bible has to say about justice, therefore -- both social justice and criminal justice -- ought to be of great significance for Christian thought and action today. "Yet coming to grips with biblical teaching on justice is by no means easy." Upfront, Marshall addresses the many complexities that surround "justice" in the Bible: the Bible seems to hold conflicting points of view; there is a huge amount of data to deal with; the world of the Bible and our present world are vastly different. Marshall's honest treatment of this subject is direct, yet almost lyrical in tone. He manages a thorny, multi-faceted subject clearly and ultimately singles out the broad areas of theological agreement among the Bible's writers. Highly stimulating. Highly inspirational.

Customer Reviews

Chris Marshall is a theological educator in New Zealand, with a special interest in community-based justice alternatives. His focus has been on the integration of theological insights and criminal justice theory in his published work, for which he has received international recognition. He has also been highly involved in a voluntary capacity in the development of restorative justice practice in New Zealand. In 2004 he received an International Community Justice Award for his work in this area. Dr. Marshall holds the St. John's Senior Lectureship in Christian Theology at Victoria University in Wellington, New Zealand. His Ph.D. in New Testament is from the University of London. He also holds an M.A. in Peace Studies from the Associated Mennonite Biblical Seminary in Elkhart, Indiana. In addition to many articles on biblical and ethical themes, he is author of Faith as a Theme in Mark's Narrative; Kingdom Come: The Kingdom of God in the Teaching of Jesus; Crowned with Glory and Honor: Human Rights in the Biblical Tradition; and Beyond Retribution: A New Testament Vision for Justice, Crime and Punishment.

Along with books about social justice from other faiths, this little guide is a great help to people of any faith to figure out how to advance social justice. Great features, like index, and great for group discussions.

Highly recommend One of the best books on justice I've read! Easy to read and comes to a great conclusion

I loved reading this book by mr. marshall, it was an easy read with a wealth of information. I recommend this book to anyone who is looking to understand justice from God's perspective.

This is an excellent book! I highly recommend it.

I have used this book for several classes to teach the far reaching concept of justice in the Bible. It shows that God's call to do justice is foundational to the Christian faith. The author clearly explains key concepts related to justice and gives biblical examples.

Great little book, if you want to get a better understanding for the biblical understanding of Justice. I loved how Chris Marshall takes a complicated subject and makes it clear, practical, and has ensured its based on a solid scriptural base. Its an easy read, but also can become the basis for a much deeper study and understanding of the topic. A worthy additions to any library!
