The Makeup Artist Handbook: Techniques For Film, Television, Photography, And Theatre

Synopsis

Get professional techniques—usually known only by Hollywood makeup artists in this full-color, comprehensive book from accomplished makeup pros Gretchen Davis and Mindy Hall. The two come to you with impressive backgrounds in film and television industries—their projects have included Pearl Harbor, Rent, Stuart Little, and The Nanny Diaries, and Mindy Hall is fresh off her Academy Award win for her work on 2009's Star Trek. This new edition of The Makeup Artist Handbook offers even more illustrations to demonstrate techniques visually; fundamentals on topics such as beauty, time periods, black and white film; and up-to-date information on cutting-edge techniques like air brushing makeup for computer-generated movies, makeup effects, mold-making, lighting, and lots of information on how to work effectively in HD. Learn from the pros and hone your craft with this comprehensive book.

From makeup effects to high definition, this full-color guide for Film & TV Makeup Artists shows you how it's done!" Gorgeous full color book shows how makeup artists make Hollywood stars look as good as they do, even in HD!" Get the inside track about how to work with the pros and all about set etiquette" Contains tips and techniques from a number of professional Hollywood makeup artists" Includes a full reference section with useful websites, business listings, and contacts This full-color and amply illustrated book was written for film, television, and theatre makeup artists who need to know the basics on how to accomplish flawless makeup applications. It begins with fundamental

practices and continues through more complex techniques that are usually known only by Hollywood makeup artists. Written by two expert authors who have experience doing makeup for television, commercials, and huge film blockbusters like Pearl Harbor, Rent, Stuart Little, The Nanny Diaries, Of Men and Mavericks, and Hemingway & Gellhorn, and for actors like Hilary Swank, Laura Linney, and Josh Hartnett, readers will learn about beauty, time periods, and black & white film, as well as cutting edge techniques such as air brushing, makeup for computer-generated movies, and makeup effects. High definition technology has revolutionized the techniques needed by makeup artists you need to know more, have more talent, and be more detailed than ever before. Because HD emphasizes every detail on screen, it is essential for makeup artists to know how to achieve a desired look that fits the director's requirements, and this book will help professional or aspiring makeup artists to hone their craft in both conventional and HD techniques.

I am speechless on how much information this book gives on make up

This is, far and away, the best makeup book I've ever owned. As a professional makeup artist, it is the only book I recommend to everyone. It's great for artists who are starting out in the business and its amazing for anyone who wants to know more from the best.

Amazing book a must read filled with so much vital information and references!!! Great refresher for

established makeup artists, it's great to go back to basic and really hone your craft!

Bought this as a gift for my niece and she loves it!

My grand daughter loved this book and uses it daily.

Very complete! Everything you need to know.

exactly what was expected. I will use them again, thanks.

This is a must-have makeup artist book! Very, very helpful!
