## Synopsis

Ichigo Kurosaki never asked for the ability to see ghosts - he was born with the gift. When his family is attacked by a Hollow, a malevolent lost soul, Ichigo becomes a Soul Reaper, dedicating his life to protecting the innocent and helping the tortured spirits themselves find peace. Find out why Tite Kubo's Bleach has become an international manga smash-hit! The race to save Rukia from the Soul Society is officially on, and Ichigo and company have come to their first roadblock, a very, very big roadblock. Jindanb'f', the monstrous, fez-sporting gatekeeper hasn't let a single soul enter the Western Gate he guards in over 300 years, and he isn't about to change his mind about it just because Ichigo's crew wants to go through either. But, in a where-the-rubber-meets-the-road kind of way, Ichigo wasn't expecting his assault on the Soul Society to be a piece of cake either. After all, that'd just be boring.

Bleach is author Tite Kubo's second title. Kubo made his debut with ZombiePowder, a four-volume series for Weekly Shonen Jump. To date, Bleach has been translated into numerous languages and has also inspired an animated TV series that began airing in Japan in 2004. Beginning its serialization in 2001, Bleach is still a mainstay in the pages of Weekly Shonen Jump. In 2005, Bleach was awarded the prestigious Shogakukan Manga Award in the shonen (boys) category

Purchased for teen who was happy to receive! A hit with the manga-loving kid.

Came on time and it was in perfect condition happy to add this book into my amazing collection will buy more books of the series through now

I bought it for the Bleach nostalgia and because Uryu is my favorite character. This volume is a fun read for anyone who enjoys Bleach.

This series is almost unequaled in its depth of characters, its storylines, and its length. A well written almost never ending tale of action adventure love betrayal death and almost everything human. Buy the manga, Buy the movies, Buy the dvd's. If you can find it on blu-ray pick it up and keep it forever. Its certainly worth it.

Very good!!

One review for this volume was complaining about Viz's translation of it. I'm here to address the points he made. 1. Shinigami, which does mean Death God, isn't exactly a good description of what they do. The name they're given in English, Soul Reaper, is a much better name as it fits what they do, which is guide the souls of the dead to the afterlife. 2. There is no language censorship. The Japanese language actually has no swear words, and words also have several meanings. The version he read was an illegally translated copy called a scanlation, in which they translate words very, very literally and out of context. They also have a tendency to translate adjectives as swears because it's easier. The reviewer apparently didn't know that a "company" is subdivision of a military regiment or battalion that constitutes the lowest administrative unit that is usually under the command of a captain and is made up of at least two platoons, which is more correct than squad. I hope I've been of help.

I bought this for my grandson. No one told me it's suppose to be bound backwards. I thought it was defective, who knew :)

Awesome I loved it. It was my first anime and if I sit down and read it I will finish it in 30 minutes!
