Customer Reviews

This book deserve 5-stars it wasn't what I thought it was going to be but I couldn't put it down the main character was crazy and I can only imagine what she is going to do next I do like how you touched on sexual addiction and self-mutilation is truly is a very excitable read

Tati is crazy and at first I thought it was her mom with the problem. Demetrius i like him but I see the new boss there's gonna be a problem that last scene with Bruce had me in tears Malik is crazy as ever so him and Tati deserve each other but can't wait till part 2

5 Stars because book was good from beginning until the end. I Think Tati's mom was right when she discovered the notes and got the texts. This book is a must Read. Can't Wait For part 2.

Wow! Wasn't what I expected at all. The title had me going somewhere else but the story was good! A whole lot of twist and turns I did not expect. Can't wait for pt 2 to see what happens.

This was my first book from this author it was not what I expected. I really read the whole book

I enjoyed the read. If you like curve balls and twist and turns this is the book for you. The stories develop slowly, but leaves you on the edge wanting more. Lots of characters to love or hate in this book. Lots of different feeling, but love that you experience so many. Some humor, some erotica, some sadness, or empathy, then SHOCKED!! I am looking forward to book 2 because I need to know what happens next!

This book was so damn good. TATIANA is a hot mess. I wonder if the police are going to figure out she lying about the reason for killing DiAundria.

It was so JUICY! I can't wait for Part 2. Tati is a mess but she makes you want more.
