Take a Hike! Who says you have to travel far from home to go on a great hike? This guide describes over thirty-five of the best hikes within an hour's drive of Atlanta; from mountaintop vistas and paths along rushing streams to historic sites and urban parkways great for a jog or bicycle ride. Whether you're in the mood for an easy nature walk or are up for a strenuous day hike, in these pages you'll find plenty of both at over twenty locations, including: • Chattahoochee River National Recreation Area; • Kennesaw Mountain National Battlefield Park; • Laurel Ridge Trail on Lake Lanier; • Georgia state parks and historic sites; • Local parks and gardens; • And many more sites, including wildlife refuges and nature preserves. Each hike features full-color photos; a brief route description; thorough directions to the trailhead and beyond (GPS coordinates included); a detailed, accurate trail map; and at-a-glance information on distance and difficulty level, hiking time, canine compatibility, and fees and permits. Inside you'll also find • Green Tips and sidebars on local lore, points of interest, and area wildlife.

Ren and Helen Davis are the husband-and-wife coauthors of Atlanta Walks and Georgia Walks and contributing authors and photographers for other travel guides. Their articles have appeared in numerous publications, including Atlanta Magazine, Where Georgia, and Appalachian Trailway News.

i ordered this as an update to an older Atlanta hiking book and i'm pleased with the expanded information and detailed trail notes. i recommend to anyone wishing to discover the hiking jewels in the Atlanta vicinity.

Haven't done any of the hikes yet, but was as I expected since I borrowed a copy from the local library.

Very good book, but it arrived with the spine slightly torn. I guess didn't package well....
