# The Girl With The Lower Back Tattoo

## Synopsis

"Amy's got your back. She's in your corner. She's an honesty bomb. And she's coming for you."  
(Actress Tilda Swinton, Trainwreck costar) The Emmy Award-winning comedian, actress, writer, and star of *Inside Amy Schumer* and the acclaimed film *Trainwreck* has taken the entertainment world by storm with her winning blend of smart, satirical humor. Now Amy Schumer has written a refreshingly candid and uproariously funny collection of (extremely) personal and observational essays. In *The Girl with the Lower Back Tattoo*, Amy mines her past for stories about her teenage years, her family, relationships, and sex and shares the experiences that have shaped who she is - a woman with the courage to bare her soul to stand up for what she believes in, all while making us laugh. Down to earth and relatable, frank and unapologetic, Amy Schumer is one of us: She relies on her sister for advice, still hangs out with her high school pals, and continues to navigate the ever-changing boundaries in love, work, and life. Ranging from the raucous to the romantic, the heartfelt to the harrowing, this highly entertaining and universally appealing collection is the literary equivalent of a night out with your best friend - an unforgettable and fun adventure that you wish could last forever. Whether she's experiencing lust at first sight while in the airport security line, sharing her own views on love and marriage, admitting to being an introvert, or discovering her cross-fit instructor's secret bad habit, Amy Schumer proves to be a bighearted, brave, and thoughtful storyteller that will leave you nodding your head in recognition, laughing out loud, and sobbing uncontrollably - but only because it's over.

## Customer Reviews

I loved this book. It was a great read while I would sit at my community pool. The looks I would get from people as I laughed out loud made the book that much more enjoyable. Reading about her relationship with her father and the goofy things he would do was probably my favorite part of the book. I would highly recommend this book if you need a good laugh.

Really did not enjoy it at all

Actually not very far into this book but can share now. Typically i'm leary of autobiographies. BUT AMY IS HYSTERICAL. Plus she writes very well and with interest. Highly recommended.

I expected much more. I'm halfway through, and I just stopped, out of boredom. Not what I was expecting from Amy.

Just what you expect from Amy. Funny and honest.

This book was a fresh breath of truth and what it's like to be human. Amy details the chapters of her life, both the difficult and hilarious ones. I'd recommend it to anyone looking for brutally honest comedy.

Didn't like it

Like everyone, I buy books depending on my mood or what's happening in my life. I needed to lighten up and laugh, so I bought this book for my kindle in the hopes laughing along with Amy before turning in. While there were a few points in the book that made me laugh, other parts just bummed me out or bored me. I stopped reading it when the chapter on guns came up. I guess I thought it would be like Chelsea Handler's laugh-out-loud funny books. If you want to laugh, read "Are you there vodka, it's me Chelsea".
