# True Blue

## Synopsis

Mason "Mace" Perry was a firebrand cop on the D.C. police force until she was kidnapped and framed for a crime. She lost everything-her badge, her career, her freedom-and spent two years in prison. Now she's back on the outside and focused on one mission: to be a cop once more. Her only shot to be a true blue again is to solve a major case on her own, and prove she has the right to wear the uniform. But even with her police chief sister on her side, she has to work in the shadows: A vindictive U.S. attorney is looking for any reason to send Mace back behind bars. Then Roy Kingman enters her life. Roy is a young lawyer who aided the poor until he took a high-paying job at a law firm in Washington. Mace and Roy meet after he discovers the dead body of a female partner at the firm. As they investigate the death, they start uncovering surprising secrets from both the private and public world of the nation's capital. Soon, what began as a fairly routine homicide takes a terrifying and unexpected turn-into something complex, diabolical, and possibly lethal.

## Customer Reviews

This promising first in a new series from bestseller Baldacci (First Family) introduces Beth Perry, chief of the District of Columbia's Metropolitan Police, and Beth's younger sister, Mace Perry, a former police officer dubbed the Patty Hearst of the twenty-first century after she was seized by bandits, drugged and taken along on a series of armed robberies around Washington. Mace, who's just getting out of prison after serving a two-year sentence, is willing to risk everything to clear her name and reclaim her life as a cop by cracking a big case on her own. The rape-murder of a powerful lawyer as well as the killing of a prominent U.S. attorney provide Mace an opportunity to

vindicate herself. While Baldacci draws his characters in bright primary colors, and some of the action reaches comic book proportions, he delivers his usual intricate plotting and sets the stage nicely for highly competent Beth and impulsive, streetwise Mace to take on more bad guys. "...Baldacci fans will love it." — Sound Commentary

I enjoyed reading this book. The character development was good and. The ntrigue kept me very much involved. I did not understand all the financial intrigue, but got the important part. I have always enjoyed a Baldacci book and will buy another. A good read. Mickey

Exciting in the beginning, then boring and unbelievable in the middle. No spoilers for the ending.

I truly believe that David Baldacci is my favorite author. He does not have vulgarity or senseless violence in his books. He has believable characters and great story lines.

This is an excellent book . It keeps you guessing and holds your attention . You do not want to put it down .

This was a great book. I hope it will be made into a series. Vanessa Roberts

Good storyline. Kept wanting to turn the pages. It was A little cheesy at times but overall a great read.

Good heroine makes the book work. The plot is thin and seems contrived. The ending may be realistic but was unsatisfying.

David Baldacci always deserves more than 5 stars. His books lead you into the story and always keeps you there to the end.
