The Third Plenary Council of Baltimore was an American assembly held in the nineteenth century. Presiding were Archbishop Gibbons, the Apostolic Delegate, in addition to thirteen other archbishops, sixty-one bishops or their representatives, six abbots, and a religious general. Its sessions were held from the ninth of November to the seventh of December, 1884, and were comprised of twelve decrees. The Third Council is most noteworthy for the vigorous Catholic school building campaign which it spawned, commanding all parishes to provide Catholic education. It also

produced the popular Baltimore Catechism for schoolchildren.

This is the best catechism for someone getting introduced to the Catholic Faith. It is very in depth and for an intellectual thinker but still simple enough to understand and love the glory of the Catholic Faith. Great book, recommend this book to everyone!

Wonderful. I teach first graders religion and I use this as a reference book. This has more information than the one with which I am provided for class. Also, brings back a lot of memories, as this was the Catechism with which I was taught many years ago.

If you are a Christian it is a good read , if you are a Catholic it is needed for your soul

If you want to learn your faith in an easy-to-read, back to basics foremat, this is the book for you. Great purchase!

Simple and straight forward. We are called to love, know and serve the Lord. This will help you to know the Lord

Very easy to read and understand.

Really good book if you plan on getting confirmation and first communion

Beautiful book.
