Bronwyn Bancroft is an Aboriginal artist, the author of Possum and Wattle, and the illustrator of Malu Kangaroo.

When I saw this book I thought it looked different & appealing & I thought my grandkids would like it. My son received it & told me that it was a beautifully done book & the colors were great. The kids seem to like it a lot, so I'm happy. When my grandson was born I made him a quilt, called animal alphabet by an artist named J. Wecker Frisch, very colorful as well & he loves the quilt.

Amazingly beautiful book for a young child. I've purchased this for my son and for gifts for a number of friends' children, and it always gets oohs and aahs.

great hard cover book, all my children love this book great pics and colors, very pleased with it we sit and go through this book with my 3 year old, getting him into books now spend about 10 minutes a day mostly reading to him ,but he will spend time on his own with books

Since I spend part of the year in Australia, I wanted my grandson to learn about the animals there. The book is colorful and fun.

Gave this to an artist friend of mine who has a penchant and love for aboriginal art. This gave her a wonderful opportunity to view various pictures to enhance her knowledge. She was very happy with the gift and wanted to get more of the same quality.

I enjoy this book as much as my Grand Children. Great example of Australian Art and not just for Children.

Used as an intro to an art lesson. Good book. I can't believe they require a minimum amount of words. Crazy. They want an opinion and then ask for so many words. What are they nuts!

Beautiful little book, bought it for the pictures.
