# The Remar Review Quick Facts For NCLEX

## Synopsis

Quick Facts for NCLEX(R) RN / LPN with Pharmacology is by far our best-selling NCLEX(R) Study Guide and the foundation of the ReMar Review Comprehensive Self Study Program! This study guide is designed to give you Core Content in a simple, easy to understand, "no nonsense" structure that will help you quickly identify your strengths and analyze areas of weakness. With Quick Facts you will immediately begin to comprehend many of the major areas of Core Content that are essential to Pass NCLEX(R) RN & LPN or breeze past your nursing school's exit exam! YOUR SUCCESS IN NURSING is determined by your ability to think, plan, decide, and take action. Those same steps are needed when you are taking NCLEX(R). The stronger your skills in nursing fundamentals the faster you will be able to learn how to critically think. With Quick Facts as your primary study guide you will be able to achieve the same type of results as our students who have passed NCLEX(R) and are now living out their dreams. Please believe me when I tell you that you need to know everything in this book! Memorize it from cover to cover. There is no skipping with Quick Facts because everything here is essential for NCLEX(R)! If you are studying Quick Facts alone make the most of your time by covering 7-10 pages each day studying 45 minutes to 1 hour daily. Using this method you will cover Quick Facts in approximately 2 weeks and most students like to go over it a few times! The ReMar Review invites nursing students of all backgrounds to reap the benefits of this turbocharged streamlined NCLEX(R) resource! Whether studying for NCLEX(R) for the first or the fifth time I want to let you know that you can Pass NCLEX(R)! Quick Facts for NCLEX Study DVD is available on website only. ## Customer Reviews

I just love this review...Quick Facts is so simple to understand and so easy to retain the information, I'm so glad I came across Remar Review, I can't wait to pass my NCLEX... I feel so confident now than ever before.

Thanks Regina and Remar Review. This book is straight to the point and what you need to know. Only studied for 3 weeks along with UWorld question bank. 75 questions with only 5-10 SATA. I thought test was easy but thoughts of are they tricking me, it can't be this easy.

HOLY COW! I WISH I WOULD OF BOUGHT THIS IN THE FIRST PLACE Amazing book so easy to use and read!! 101% recommended! I am a repeat test taker the first 2 times I took it I felt unprepared but still took the nclex both times got 265 questions which is the max amount one would get and knew I failed. After the second time taking it and knowing I failed I knew I needed to do something different. I found this review course but didn't have the time to buy the dvds and do that program so I just bought this book put in the time and watched some free remarr videos on YouTube and BAMM! 78 questions and NEW I PASSED!!!

Excellent Book! Took my NclexPN yesterday and passed with 85 questions on the FIRST try! The book is very simple and easy to read and understand. Thank you ReMar! I recommend this book to any and everyone preparing to test.

I read your quick facts review and watched your videos on you tube. I passed my NCLEX yesterday with 88 questions! Thank You Regina! Your book is easy to follow and I went in with confidence. The NCLEX felt like a breeze!

Quick facts is an excellent way to prepare for my Nclex exam, there is so much great information to review and this is extremely helpful for me. Thank you and I am happy I bought this book.

This book is AWESOME!! I ordered in April and read it from cover to cover. Then I began to study the content that I was weak in. May 12, 2016. I took the NCLEX and passed my first time!! The wealth of knowledge that is in book well put and easy to understand. This is a book you can keep

referring to even when you pass your boards and begin to work!! Thank you so MUCH!!

I recently passed m LPN NCLEX,. I would recommend Remar Review. The information was very direct and You really need to know the contents/skills of nursing to pass the NCLEX.. This book will help you passed the NCLEX if you study hard and review the book/dvd Just believe in yourself and ask God for help. Good Luck Thank you Regina for all your help. Buy this book and review it over and over again

Regina your book was wonderful. I can proudly say I am an RN today because you book made my review easier. Folks, it is in the NCLEX in miniature and its a must read. Once more thank you so much for the wonderful piece.
