Romans 1-7: The Gift Of God

Synopsis

We want to be right in the eyes of the law of our land, of those we respect, of our loved ones, of those we work with. We strive to gain and then keep this right standing. But there is another, far better and more important righteousness. A righteousness which changes and liberates every aspect of our lives, and yet which none of us can earn or maintain ourselves. It is a righteousness from God. Romans 1:7 is all about that righteousness. It shows us why we don't have it, why we need it, and how we can receive it. It thrills us that the gift of God is eternal life in Christ Jesus our Lord (Romans 6:23). These seven studies will help you to understand one of the most-read, most written-about parts of the Bible. And, as they enable you to unwrap God's precious gift of right standing with him, they will transform your hearts, lives, identities and perspectives. For use with individuals or groups. Leader's Guide included.

Customer Reviews

Timothy Keller was born and raised in Pennsylvania, and educated at Bucknell University, Gordon-Conwell Theological Seminary and Westminster Theological Seminary. He was pastor of West Hopewell Presbyterian Church, Virginia, for nine years before founding Redeemer Presbyterian Church in Manhattan, which he started in 1989 with his wife, Kathy, and three young sons.

Excellent study! It is concise well laid out. Tim Keller does a wonderful job of walking us through the important fundamentals of the Christian faith and how to apply them to our lives. One of the most

helpful studies in Romans I have done.

'Have just completed the study using this book. It's a great guide to understanding Paul and chapters 1-7.

Very helpful study for Bible Study or Ss class. I like having the leadership guide included. Inciteful questions that encourage discussion.

Great study tool!

Good discussion questions. They make one think.

Great study guide

It's a good in depth study. Our group would have benefited from an overview of the whole book so we had a context--where we were going. Lost the forest for the trees sometimes.

Do you desire a deeper walk? This will take you there.
