# Drawing Manga People And Poses

## Synopsis

Take everyday poses and make them extraordinary! Learn to draw people in a variety of different poses with *Drawing Manga People and Poses*. Lessons begin with the basics--drawing from photos, vantage points, people and objects. Once you've got the basics covered, you'll follow along with step by steps and find tips and advice for "everyday," "around the house" and "at work and play" poses. All in all, you'll find more than 800 poses to emulate and make your own! *Drawing Manga People and Poses* also includes helpful Q & A sections, covering subjects like drawing from reference materials, understanding skeletal and muscular anatomy, drawing cartoons and how to know when a project is finished. Learn to draw: Important basic drawing lessons, including scaling, dimension, perspective and more Lessons and samples for drawing poses from everyday life, like texting, opening a wallet and eating Around-the-house poses such as opening doors and windows, getting dressed and cleaning At work and play poses including using a computer, taking photos, stretching and playing video games With more than 800 poses, you're well on your way to creating any character you can imagine!

## Customer Reviews

Ryo Hirata is a Japanese anime and manga artist. He is the author of four "how to draw manga" titles published in Japan. He freelances with video game production companies such as Electronic Arts and Production IG, working on character design for animated games.

This is exactly what I've been looking for. It's full of every pose imaginable and tutorials are

included. Now, I won't need to ask friends and family to pose for me so I can take photos of different poses. I highly recommend it to anyone interested in drawing the human figure. Drawing Manga People and Poses

Mad helpful. It isn't a "How To" book so much, it comes off for visual artists. I suck at directions, but it does give you a little tutorial in the beginning to grasp the idea after that, it's pretty cool. I like it honestly. Buy it!

I expected there to be more poses. It sorta just tells you to look at figures and draw them. Then gives a few poses.

My daughter has enjoyed this book and I will be ordering another.

Really cool artwork and how to stuff. Great artist too. I'm very happy I own this now. Came quickly by mail.

I love this book. It shows you how to draw your character or person, in every angle and every position. It helps me a lot to know how a certain angle looks when im drawing one of my characters. I recommend this book to any artist trying to better their work.

My 13 yr-old daughter loves this book. She said it was very informative.

It's a good book full of poses, but I bought it as a reference for MANGA. Judging from the cover, I expected a realistic style but I was hoping for some battle or action poses because I'm drawing a Shonen manga. But the book is really well done and there are lots of everyday poses to choose from.
